[RUSH] MESSAGE:

(1) Please initial/flo through citations on PTO-forms dated 07/25/03
 (pages 1 OF 10, and 6 OF 10 - other documents are not
 initialed).

(2) PCT/US95/11855 is listed in the oath under continuing data (S120)
 but shown listed on bib sheet under foreign priority. Is PCT=cont data or
 foreign priority? If cont data, please amend bib sheet and specification (A1-
 smdt) to show PCT=cont data (CN, DIV, C1 or "which is 9 311").

[XRUSH] RESPONSE: PCT/US95/11855 is not part of continuing data.
 There is no continuity from this case to PCT/US95/11855, so it
 should be deleted as priority data. I have crossed it out on
 the Bib Sheet.

A signed copy of the PTO-1449 of 7/25/03 is provided.

INITIALS: EM

NOTE: This form will be included as part of the official USPTO record, with the Response document coded as XRUSH.
